## AORP BROTHER KEEPS FIGHTING

By Janet Hankins

(Third Installment: *Officer Larry D. Brooks (3D) was involved in a not-at-fault, off duty motorcycle accident in 2008 that left him paralyzed from the waist down. Larry returned to limited duty a short 8 months later where he remained until retired on disability in 2010. He was planning to go back to work as a civilian when he developed a major infection that began a medical nightmare that is not yet over. If that was not enough, Larry was notified that he no longer had Federal Health Insurance, effective December 2011, due to a change in DC Law.*)

This summer brought more hospital stays for Larry due to infections. While visiting family, Larry was admitted to hospitals in Georgia and New York. In the middle of July, Larry was admitted to the Washington Hospital Center (WHC), where he remains as I write this article.

After weeks of heavy duty intravenous antibiotics, Larry underwent another operation to remove parts of his femur which had become infected. This was followed by more weeks of antibiotics and then a skin graft to close his wound. Unfortunately, the graft did not take. It is expected that Larry will go home from the hospital (date not yet determined); returning after the wound has closed up more for another skin graft.

## IMPORTANT NOTICE-DUES INCREASE FOR 2013

The Board of Directors proposed, at the September 5th general membership meeting, that the annual dues be increased by \$10. Concern for the decrease in reserve funds due to increased expenses and low returns on investments, prompted this decision. The membership voted unanimously for the increase. Effective January 1, 2013, dues will be \$35. Any dues paid prior to January 1, 2013 will be at the \$25 rate. This includes any dues paid in advance for future years.

**DUES ARE ALWAYS DUE IN JANUARY!**

## HOW CAN I GET AN ACCESS CODE FOR THE WEBSITE?

We have a website exclusively for our members. To be able to read and put postings on the Guestbook; pay dues/buy merchandise; read the minutes from the General Membership Meetings or the Memoriam pages; and, much more, you must first get an access code. To do this, please go to the website at [www.aorp.org](http://www.aorp.org) and click on “HELP” at the far right under the banner. Next, click on “AORP MEMBER WEB SITE ACCESS”. You will then click on the box that states you agree with our terms and conditions and then you will enter your email address twice. Then you click on “Submit”.

When you submit your information, the website automatically sends you a return e-mail and requests that you click on the long blue link that will take you back to the AORP website where you will confirm that your user name and password is correct. It is also verifying that you put in your correct e-mail address. Once the website knows you entered the information correctly the website manager is notified that a new person is requesting access. The website manager then verifies that information with the AORP membership database. If you are a paid member, the website manager will approve access and send you an e-mail advising you that you have access to the website and all its features. Please note that the website manager in an AORP member and does not sit at the computer 24/7 so the final authorization sometimes takes a day or so.

If you have never had an access code, you will receive a message asking for a suggested user name. Be sure and follow all instructions carefully. Once that is done, you will receive your access code by email. That email will contain one more instruction that must be followed in order for your access code to work. This procedure is for added security because only active AORP members have access.

If you have had an access code in the past; but just can't remember it, follow the above instructions going to “HELP”. In this case, you will click on “LOST PASSWORD?” and follow the instructions. Please read everything carefully and follow the directions.

## Brother Continues Fighting

*Continued from Pg. 1*

Knowing that Larry has a GREAT affinity for Five Guys cheeseburgers, I decided to bring him a couple when I had the opportunity to visit him in late August. It was a Sunday and I was in the area for a couple of events, so I figured I could swing by 14th & Irving to pick up the burgers on the way to the hospital. Wow! Have you seen the changes to that area? It is incredible, and nothing like it was back in the 70's.

With great progress, come great amounts of traffic and no parking spaces. I couldn't even find an illegal one! After 45 minutes and five, very slow loops, around the area, I got a spot. I ran down the block to the store. (Did I mention I was in heels, trying to outrun the oncoming storm and get done in time to make my next event?).

Finally, I had Five Guys in my sights. I was really excited when I saw how empty it was; and it wasn't until I hit the door (because it was locked) that I noticed the hand written sign indicating it was closed due to "technical" problems. Now, my feet were really hurting as I ran back to my car... and I had nothing to show for it! I have to admit, Larry took not getting his burgers a lot better than I would have.

After a quick visit, I ran back to my car and raced to make my next event on time. I did get a photograph of my license plate in the mail a few days later – amazing how efficient that operation is – but I was only 5 minutes late!

After I posted an update about Larry on the AORP website and Gary sent out a blast email, I received a response from Brother Kevin McCarthy. (Kevin lives in Colorado; but when he was in the DC area last winter, he stopped by the WHC to visit Larry. Though he had never met him before that visit, Kevin and Larry have become good friends.) In his email, Kevin asked if there was anything he could do.

Still feeling frustrated that I had shown up empty handed after whetting Larry's appetite, I sarcastically replied, "You can swing by Five Guys at 14th & Irving and bring Larry two cheeseburgers with lettuce, tomato & mayo ...oh, wait, you live in Colorado!"

Well, a couple days later, Larry told me that Kevin had the burgers delivered to him. (Now, why did that not occur to me?) Kevin had contacted the store, but they didn't deliver. After he explained Larry's situation, the manager – Mr. Howard Johnson – offered to deliver the burgers personally on his way home from work.

It was wonderful that Kevin set things in motion; and what a selfless demonstration of kindness on Mr. Johnson's part to take his time to go to the hospital, pay for parking and make the delivery. It continues to amaze me how many wonderful people God has put in Larry's life – most of whom have never even met him.

When he is released from the hospital, Larry hopes to get on with his physical therapy while he waits for the next graft. Please continue to pray that he will be free of infection; his wound will continue to heal; the next skin graft will be successful; and, that he will quickly regain his strength.

Through your generosity, Larry's October mortgage has been paid. We will continue to pay his mortgage and provide other financial assistance as long as the money holds out. If you would like to make a donation, please send your check (payable to **Dollard-Suter Family Fund**) to the **Police Federal Credit Union, 9100 Presidential Parkway, Upper Marlboro, MD, 20772**. Don't forget to put "Larry" in the memo section of your check.

On behalf of Larry, thank you for all your prayers, financial support, and concern. May God bless your kindness many times over!

## PART OF A RICH HISTORY

When Brother Wallace Bradford recently retired from the Senior Officer Program, he submitted a retirement letter that gave an overview of his years of service. Here are some of the highlights:

*“I would like to thank the Metropolitan Police Department and the Nation’s Capital for allowing me to be part of its rich history for the past 47 years. I have worked for ten chiefs of police to include the first black chief and the first female chief. I have seen this department transition from call boxes to hand held radios; and, from typewriters and carbons to computers. I worked in precincts, districts, sectors and PSA’s. I was here before patrol policewomen and Home Rule.”*

*“As a member of the MPD, I have been part of every major demonstration since 1965. I have been part of every inauguration since Richard Nixon’s first. I have been close to world leaders, and have been blessed by two Popes.”*

*“Being a member of the MPD was never a job, it was more like a front row seat at the greatest show on earth.”*

(Sgt. Wallace L. Bradford was honored for inventing the “Wally Board” which is a device to assist police officers confronting protesters.)

## PROPOSED BY-LAW AMENDMENT CONCERNING LIFE MEMBERSHIPS

Approximately one-third of our membership falls into a non-dues paying status. While we continue to gain new members each month, this increase is not keeping pace with the number of Life Members and the increase in Associate Members. Therefore, in September 2013, the Board of Directors will propose the elimination of any future Life Memberships effective January 1, 2014.

If this proposed amendment is approved by the membership, current members will have the opportunity of paying their remaining years to qualify for 30 year Life Membership until December 31, 2013. The cost will be at the 2013 dues rate of \$35 per year. Any years paid prior to January 1, 2013, will be at the \$25 rate.

Contact Janet on [jhankins@atlanticbb.net](mailto:jhankins@atlanticbb.net) or leave a message at 877-283-1065, if you would like to know how many years you have been a member. (Please make sure you provide your full name when emailing ... [studmuffin@aol.com](mailto:studmuffin@aol.com) doesn’t narrow it down!)

## EQUALIZATION UPDATE

By Gary Hankins

The negotiations continue between the FOP/MPD Labor Committee and the City. It has been four years since sworn members of the Department have gotten a pay raise. This, of course, means that AORP members who retired under Equalization haven’t gotten an increase in their annuities either.

While I am unable to discuss the details of the negotiations, I answered a question from a member at our last Membership Meeting about what happens if the Union and the City deadlock. ....

First, one or both of the parties in negotiations would have to declare an impasse. Once an impasse is declared the Public Employee Relations Board (PERB) would select a mediator to meet with the Mayor’s negotiators and the Union’s negotiators. This is usually done in a location where the mediator can shuttle from the rooms occupied by each team. The mediator shares the ideas from each side with the other one in an effort to reach a compromise. The Federal Mediation and Conciliation Service (FMCS) is often selected by the PERB to mediate the impasse. The mediator has 30 calendar days to fashion an agreement.

If a compromise cannot be reached, the process moves to arbitration. The PERB appoints a neutral professional to a three member arbitration panel. The Union then appoints a member to the panel and the Mayor appoints one. The panel then conducts a hearing on the last best offers of the two sides. The panel must choose either the Mayor’s last best compensation offer or the Union’s last best offer. The arbitration panel’s decision is binding on the Mayor and the Union. If the Union wins, the Mayor must transmit the arbitration award to the City Council for a vote. The City Council can either approve or reject the arbitration award. This process usually takes several months to be completed.

## TIPS FOR RENEWING YOUR DUES

When renewing your dues, it is not necessary to send in a renewal form unless you have had a change in your address, phone number, email address or marital situation.

If you pay your dues twice (as many of you do), your expiration date will be extended for an additional year. When possible, on-line dues payments are preferred over check payments as they cut down the amount of work on this end.

# CLARIFICATION OF ORGANIZATIONS

There is often confusion about the various police organizations; what their focuses are; and, what benefits they provide:

**Retired Police Association** – This organization was actually the Police Association which was in existence until the late 70's. This was not a union; and when members retired, they continued to belong and referred to it as "retired police association." When this organization went defunct, many of their members switched over to the AORP which is why the two are often confused.

**Association of Retired Police Officers of DC, Inc. (AORP)** – incorporated in 1935, the AORP was responsible for obtaining pay raises and benefits for the MPD. Today, the primary focus of the AORP is to safeguard the retirement annuities of its members; and to provide assistance to the spouses of our fallen members. The AORP offers optical/dental plans for its members, as well as, legal assistance with problems regarding members' annuities.

**Metropolitan Police Relief Association (MPRA)** – incorporated in 1935, the MPRA actually began informally in the late 1800's. A group of officers agreed that if one of them were to be killed, the others would each donate a dollar to the wife. This developed into a quasi-life insurance company and is run by retired police officers.

**National Fraternal Order of Police (FOP)** – formed in 1915 by two officers of the Pittsburgh Police Department.

**FOP DC Lodge #1** - formed in 1966 by members of the National Zoological Police and the U.S. Capitol Police. The Lodge was later named after its first member killed in the line of duty, MPD Officer Jerrard F. Young, who was slain on August 29, 1971.

The Lodge's first president elected from the Metropolitan Police Department (MPD), Sgt. Thomas Tague, took office in 1974 when the Lodge membership stood at approximately 450. One of Tommy's many contributions to the Lodge is the growth in membership.

In 1979, when membership of the Lodge had grown to approximately 2,000, Tommy encouraged the establishment of labor committees (law enforcement unions in DC) to represent the Lodge's members. (Most police departments, represented by the FOP, have their union and lodge as one entity. Because DC has many law enforcement agencies, both federal and local, eligible for membership in the Lodge, labor committees had to be chartered in order to maintain autonomy from the Lodge as required by law. Today, there are over 10,000 Lodge members and 14 chartered labor committees.

The Lodge, itself, is NOT a union. It is a social organization that provides a \$5,000 death/dismemberment policy on its members, as well as, a discounted legal plan.

**FOP/MPD Labor Committee (FOP/MPD LC)** – formed in 1980, it was the first labor committee chartered under the Jerrard Young Lodge. In December 2011, the FOP/MPD LC was voted as the union to represent the sworn members of the MPD (sergeants and below); and continues to do so today. AORP president, Gary Hankins, was a founder and the elected Chairman of the FOP/MPD LC from its inception until his retirement in 1992.

## NEW MEMORIALS FOR MPD FALLEN HEROES

At the November 2, 2011 General Membership Meeting, Brother John Rentz made a motion that the AORP pursue having a modern display placed in MPD Headquarters to honor Line of Duty deaths. The motion was seconded by Don Blake and passed unanimously.

On December 5th, a meeting authorized by Chief Lanier was held with Inspector Ralph Innis and Lt. Nick Bruel. John Rentz, Don Blake and Gary Hankins attended.

It was decided that there should be two memorials. One would be a Wall of Heroes which will be located in the lobby of Police Headquarters. The second memorial will replace the memorial fountain that is located in front of police headquarters. The fountain has not worked in years, and the memorial site is not readily noticed by

those passing by.

The Chief has appointed Lt. Nick Bruel to coordinate the work to replace the memorial fountain in front of Police Headquarters and the creation of a new badge display case in the lobby of Headquarters.

Don Blake, Chairman of the D.C. Police Memorial Committee, is representing the AORP in the effort to build a new memorial. The Committee, also, includes representatives from the FOP Union, the Police Survivors Organization and a collection of professionals who have stepped forward to assist with the design, development, fundraising and construction of a new memorial to our fallen brothers and sisters.

Brother Marcello Muzzatti, FOP Lodge President,

# CRAIG'S CLAN STILL WALKING

Brother Craig Munro and his wife, Kay, will once again raise awareness of the terrible disease that has afflicted Craig for almost seven years, by participating in the annual "WALK TO DEFEAT ALS". Also known as Lou Gehrig's disease, there is no treatment or cure.

Craig has had few changes the last several years and a friend recently commented that Craig's extremely positive and happy attitude is truly miraculous. While he can no longer walk or speak clearly, Craig's mind and memory are perfect. He was delighted to attend his 50th Reunion from Hammond High School in Alexandria this June.

Unfortunately, Kay was not able to attend as she was dealing with her own medical nightmare that began last Fall. In June, she underwent a lengthy and invasive surgery due to acute diverticulitis. Fortunately, they were able to be together to celebrate their 30th wedding anniversary on June 19th.

In the six times that their team, "Craig's Clan Cares," has participated in the annual walk, they have raised over \$88,800 in donations to the ALS Association! This year, they hope to go over the \$100,000 mark. Craig wants desperately for future generations to not have to endure the severe life-style limitations that he has faced.

If you would like to participate in the Walk, you can join the team on Sunday morning, October 21st from 10am to 12 noon at Robinson Secondary School, across Braddock Road from George Mason University. The address is 5035 Sideburn Road, Fairfax, VA. They are having their Walk at Robinson for the second year to avoid the parking problems of attending the main walk in Washington, DC. Please let them know, as soon as possible, if you are going to participate, so they can order one of their team shirts for you. You can reach them by calling 703-323-8069

If you are unable to join them in the Walk, they would still greatly appreciate your thoughts and prayers. If you are able to donate, or just want to look on the ALS website, they now have a personal page [http://webdc.alsa.org/site/TR?pg=team&fr\\_id=8159&team\\_id=225227](http://webdc.alsa.org/site/TR?pg=team&fr_id=8159&team_id=225227). You can join the team on this page; but, if you would like to donate online, you need to click on Captain Craig's name, which will take you to a second page where there is a donation option.

If you prefer not to use the online option, call Kay at 703-323-8069 or email her at [kfm62@aol.com](mailto:kfm62@aol.com), and she will get you registered. If you want to make a donation by check, please make the check payable to the "ALS Association" and put "Craig's Clan Cares" in the memo line. Checks can be sent to: The ALS Association – DC/MD/VA Chapter, Craig's Clan Cares – DC, 7507 Standish Place, Rockville MD 20855; or, Craig and Kay Munro, 9755 Abington Court, Fairfax VA 22032.

The Munro's ask that you "please keep us, and all the patients and their families suffering with this terrible disease, in your thoughts and prayers, especially on **October 21st**, as we **WALK TO DEFEAT ALS**."

## NEW MEMORIALS

*continued from Pg. 5*

convinced the construction management firm that is developing the National Police Museum to help with this effort. They have advised us that they will donate their work.

The area now occupied by the large outdoor stairway bridging Indiana Avenue with C Street (between MPD Headquarters and Superior Court) is under consideration as a possible location for the new memorial. For the outside memorial, a non-profit corporation is being set up to raise funds. This project will take several years.

Work is progressing on the Wall of Heroes. It will feature representations of each of the badges of the 121 fallen officers of the MPD. A computer kiosk will be placed in front of the badge display which will provide the story of each fallen officer.

The lobby display is expected to be completed more quickly than the outside memorial due to its more limited size and lower cost.

## MPD 2013 INAUGURAL BADGES

Chief Cathy Lanier has authorized the purchase of up to five (5) Inaugural badge sets per retiree. The set includes the badge, a lapel pin and a challenge coin. Each set will sell for \$65 plus \$7 shipping; a total of \$72. Members will be allowed to pick the badges up at the monthly meetings, as in previous years, once they are available for distribution.

The AORP cannot purchase the badge sets until after Inauguration Day, January 20, 2013 (no matter how many times you ask). Once we receive the badges, we will begin filling the orders and mailing them out. If all goes well, mailing will begin in February. Please give us plenty of time before you start calling us.

We will start taking orders December 1, 2012. You will be able to order on line at [AORP.org](http://AORP.org) or by mail. Just be sure and indicate how many you want when sending in a check. A photo and order form will be in the December newsletter.

# ADDITIONS TO MPD FAMILY LIST

In the June 2011 edition of "ROLL CALL", we started printing the very long and proud list of MPD families that Dave Richardson, our AORP Historian, has compiled. This list of families, who have had more than one member serve honorably with the Metropolitan Police Department, can be found in the Forum section of the AORP Website. A family member includes all relations by blood or marriage, not just immediate family. There are no limits on the amount of time served, or whether sworn or civilian. Please send any additional information, comments and/or corrections to: [detsgt1304@aol.com](mailto:detsgt1304@aol.com) or call Dave on (703)525-2494.
